## The Official Opening of our New Artificial Clay Courts held on Saturday, 18 June

Article published in the News Shopper:

### Mayor could take on MP in tennis feat on clay

A nail-biting match between the Mayor and an MP could be on the cards at a tennis club's new artificial clay courts.

Bromley's Mayor Councillor David McBride and Beckenham MP Colonel Bob Stewart are both now honorary members of the Beckenham Cricket Club's tennis section following the courts' official opening by the mayor.

Guests at the event included club honorary member Maria-Esther Bueno, a winner of three Wimbledon and four US singles championships.

During the day the crowds watched an exhibition match before a jazz band played during afternoon tea.

And tennis chairman Sue Thomas expressed the club's gratitude to her predecessor as chairman, Gary Eldridge.

She complimented his "vision and hard work enabled the tennis section to boast courts of four different surfaces: acrylic, grass, hard and artificial clay courts".

The tennis section at Beckenham Cricket Club, Foxgrove Road, Beckenham was established in 1879.

Just 45 minutes before the official opening a heavy rain shower waterlogged the new courts, but quick work by members enabled the ceremony to start on time at 2.30pm.

The first game of the exhibition match was a marathon but then both players settled down and produced some excellent shots. Experience shone through in the end and Gary Le Pla beat James Oni 6-3.

An excellent tea, as always, was served by Sue, John and Angie whilst Brought into Blues entertained members and guests with their alternative jazz.

Many thanks to all those members who took a break from their tennis to support their section.

## Tennis Club Hog Roast - Saturday 2 July

The Hog Roast attracted around 100 guests (thanks to the sales expertise of Liz, Don and Sue). It was a very successful evening with excellent food and music from Ania and her group. There was lots of dancing, fun and laughter, an entertaining raffle and auction.

Don did a superb job hosting the raffle and auction. The auction was a great success with some very competitive bidding. Both the events raised a very good sum of money to help with the equipment we need to maintain the courts.

There are so many people to thank for their hard work and apologies for anyone I've missed. Thanks go to Noel and Don for producing a very succulent pig. Liz for organising all the salads, Laura for raiding her fridge?, Sue for being a very proficient "barmaid", all the helpers who got the tables, etc ready, Don and co. for digging another hole? for our "camp fire", everyone who helped with the cleaning and washing up, all the helpers who got up very early Sunday morning to clear everything away.

## AEGON NCL Team

Many congratulations to our men's National Club League squad who gained promotion to the South East regional division of the AEGON National Club League on Sunday, 10 July.
